May you rule us long,  
And leave us rulers of your blood  
As noble till the latest day!  
May children of our children say,  
"She wrought her people lasting good;  
Her court was pure; her life serene;  
God gave her peace; her land reposed:  
A thousand claims to reverence closed  
In her as Mother, Wife, and Queen!"

—Courtesy, Winnipeg Free Press.

And statesmen at her council met  
Who knew the seasons when to take  
Occasion by the hand, and make  
The bounds of freedom wider yet  
By shaping some august decree,  
Which kept her throne unshaken still,  
Broad-based upon her people's will,  
And compass'd by the inviolate sea."

## Canadian Red Cross Society Blood Transfusion Service

The Canadian Red Cross will conduct a voluntary blood donor clinic in St. Albert Thursday, Feb. 21, it was announced this week by Mrs. Neil Ross of the local Women's Institute. The clinic will be conducted in the Community Hall from 7 to 9 in the evening.

The Canadian Red Cross Blood Transfusion Service is now the sole source of supply for all whole blood and plasma required by patients in Alberta hospitals. Patients receive the transfusions from the Red Cross entirely free of charge. Hospitals no longer maintain blood banks of their own or take blood from relatives or friends of patients. Last year 23,564 transfusions of blood and

plasma were collected and distributed by this service in Alberta, at an approximate saving of nearly \$400,000 to the public. This free service supplies all transfusions required by residents of St. Albert and district.

A campaign for the registration of donors is now underway in St. Albert and district. A house-to-house canvass is being carried out by the members of the W.I. Anyone between the ages of 18 to 65, enjoying normal health, is urged to give their name as an indication of their willingness to donate at the clinic. The approximate time convenient for them to attend will also be noted. Appointment or registration cards will then be mailed to everyone who is registered a few days prior to the clinic.

## EX-COMMUNIST ADDRESSES C.Y.O.

ST. ALBERT—The St. Albert C.Y.O. met Sunday, Feb. 3, at 8 p.m., and heard an address by Mr. John Motyl on his recent experiences in Communist-dominated Czechoslovakia.

In the general discussion which followed, Mr. Motyl stressed the idea that the spread of world wide Communist materialism was facilitated by the materialism and consequent confusion of moral values in all countries, including North America.

The speaker pointed out that "Communism was a mirror reflecting our neglected historical obligations to act on Christian principles; that a more disciplined morality and re-birth of spiritual values are the only ultimate guarantee of human rights and liberty. This problem is first and foremost to be solved by each of us."

## Annual Ratepayers' Meeting To Be Held Saturday Afternoon Of This Week

MORINVILLE — The annual meeting of ratepayers, and nominations for elections will be held on Saturday afternoon of this week, starting at 2:00 p.m. Prior to the general meeting, a meeting of the Council of the Municipal District is being held in the Council chambers on Thursday, Feb. 14.

Agenda of the ratepayers meeting and notice of it is contained in this issue of the paper.

Following is a resume of the minutes of the January council meeting:

Councillors present were: John Schafers, Div. 1; Stanley M. Walker, Div. 2; Nick C. Perreault, Div. 3; Gustave Meunier, Div. 4; J. G. Dussault, Div. 5.

The meeting was called to order by the reeve at 11 o'clock a.m.

### Adoption of Minutes

Moved by Councillor Walker that the minutes of the meeting held on Dec. 13 and 14, 1951 be adopted as read and received by the council. Carried.

### Financial Statement

Moved by Councillor Perreault that the financial statement for the period ending Dec. 31, 1951 be adopted as read to the council. Carried.

### Public Library

Mr. Adrien Gibeau now called on the council in regards to the rentals due the M.D. by the above mentioned which is in the sum of \$40 as at Dec. 31, 1951. The council advised Mr. Gibeau in the manner that grants had been allocated the different libraries and that was done for the purpose of encouraging the establishment of libraries in all central locations, that the understanding at the time of the rental was that the public library would be placed in the parochial hall as soon as it was completed and that the rent as charged was to cover heating and lighting of the room concerned.

### Presentation of Accounts

Accounts were now presented to the council for their approval and the passing of the same for payment.

Council adjourned for lunch at 12:30 o'clock p.m.  
Council re-assembled at 1:45 o'clock p.m.

### Sturgeon School Division No. 24

The council now left the municipal chambers to attend a meeting at the offices of the Sturgeon School Division No. 24, which began at 2 o'clock p.m.

Council re-assembled at MD at 4:30 o'clock p.m.

### MD of Sturgeon No. 30—Council

The members of the council of the Municipal District of Sturgeon No. 30, along with secretary-treasurer A. Walters, Reeve T. W. Ross, and Councillors Geo. Holmes, Geo. Carleton, P. Laakivi and M. Hrynchuk now called the municipal council regarding the hospital contract increases as from Jan. 1, 1952. Considerable discussion was taken on the matter. It was finally decided that a resolution be brought before the next meeting of the Edmonton Union of Municipal Districts which

## Morinville Board of Trade To Hear Special Speaker

A very special meeting of the Morinville Board of Trade will be held Tuesday, Feb. 19, at 8 p.m. in the community hall when Mr. Rene Perreault, president of the Canadian Chamber of Commerce will be the guest speaker. The message will be brought in English and French.

Mr. Perreault has a very important message for the people of Morinville and district, and the Board of Trade urges all to make every effort to attend.

## CURLING NOTES

ST. ALBERT—St. Albert ladies curlers sent a rink to a one-day bonspiel in Fort Saskatchewan on Saturday, Feb. 9, and won second prize in the Merchants' competition. Personnel of the rink were as follows: Skip, Mrs. W. D. Cuts; third, Mrs. Silvio Bonneville; second, Mrs. R. Doucieh; lead, Mrs. Wm. Flynn.

The number of ladies turning out for Wednesday afternoon curling is gradually increasing. Soon a separate ladies' club may be feasible.

The Volmer Hobby Circle met at the home of Mrs. Irene Volmer on Jan. 29. Election of officers for the coming year and the work program was discussed. The next meeting will be held at the home of Mrs. Frances Ische.

is to be held in Edmonton on Jan. 28, 1952.

### Annual Assessor

Moved by Councillor Schafers that we appoint Michael Hanly as our assessor for the year 1952. Carried.

Council adjourned at 6 o'clock p.m.

Council re-assembled at 10 o'clock a.m. Thursday, Jan. 10, 1952. The reeve declared the meeting open to continue at 10 o'clock a.m.

### Municipal Inspector's Report

Municipal report, dated Nov. 29, 1951, was now read to the council.

Moved by Councillor Walker that we approve of this report and that the reeve acknowledge the same as requested by the department. Carried.

### Enumerators

The council were advised that it was necessary to appoint enumerators. (Continued on Page 4)

## ST. ALBERT COMMUNITY LEAGUE

ST. ALBERT — The St. Albert Community League held its annual meeting on Friday, Feb. 1. A large number of members attended.

Among the items read on the financial report some outstanding expenses were:

Painting and decorating the hall, \$1,022; Building of the library room, \$398.80; Furnishings and fixtures, \$514.41; Cash donations, \$573.

Rent free use of the hall during the year has been donated for 101 meetings or functions.

The members of the newly-elected executive are: President, Mr. F. L. Akins; vice-president, Mr. E. Perron; District representatives: Villeneuve, Mr. A.

Soetaert; O'Donnell, Mr. H. Terault; St. Lion, Mr. J. Sharp; Ray, Mr. A. McDonnell; Bellrose, Mr. J. Kluthe; Samis Mines district, Mr. A. Gervais; Rossidge, Mr. Wm. Flynn; St. Albert, Mr. H. Vague.

The Sturgeon Union Health Clinic for pre-school children will henceforth be held in the committee room of the Community Hall instead of the Primary School. This change will make it easier for mothers who have infants to take to the clinic, by saving them a long walk up the hill.

## EDITORIALS

### Democracy in Action

Saturday, February 16 is an important date for rural residents of Alberta. On that date ratepayers of each municipal district meet in an annual get-together to nominate candidates for the March municipal elections and to discuss the business of the municipality.

From the discussions and motions at annual ratepayers' meetings, the secretary, reeve and councillors get a more or less clear understanding of what is the will of their constituents.

For ratepayers to be able to intelligently discuss the vital matters of essential municipal business, some municipal district councils have arranged for a weekly municipal paper, carrying news, minutes of meetings and advertising of the municipal district council, to every ratepayer. Wherever this system has been given a fair trial, it has proven highly popular with the people and is of inestimable value to the local governing body in keeping ratepayers informed of their own municipal business.

We urge all ratepayers who can, to attend their annual municipal meeting and take part in "democracy in action."

### Meyer Should Be Released

All the recent hub-bub concerning Kurt Meyer, being found in his home with his family looks to us like a put-up job by The Canadian Press to embarrass the prison authorities in Germany, and perhaps the Canadian government which holds those authorities responsible for Meyer's security.

If the Canadian court which tried Meyer found him guilty, beyond doubt of murder, then he should have been given the death penalty in keeping with our Canadian laws. We don't agree that capital punishment is the solution even in cases of civilian homicide, however, and much less can be said for it after a war when all sides indulged in the act of killing. Just the same, if Meyer was legally guilty of murder he should have been hanged. But if there was a doubt about it, he should have been released.

But as we chose to sentence him to life imprisonment we had our choice of keeping him here or turning him over to German prison authorities. We took the latter course and now because some nosy Canadian Press reporter found the man at home on leave, in accordance with German prison laws, we raise a big fuss.

Let's not be vindictive in our dealings with a fallen foe. Let's not be childish in lending out justice. Meyer should be released and, as has been suggested by experienced Canadian veterans, put to work building up a strong German army in defence of the West.

### Note and Comment

After nearly a quarter-of-a-century with the Federal Department of Agriculture, Jack Byers has retired. Well known to livestock men throughout Canada and particularly to ranchers and stockmen in the West, he was employed as Supervisor of Livestock Production. At a gathering in Ottawa recently, Rt. Hon. James G. Gardiner, Minister of Agriculture, paid tribute to Mr. Byers and spoke in appreciation of his work over many years. On behalf of his fellow workers, the minister presented Mr. Byers with a radio. Mrs. Byers was the recipient of a piece of jewelry.

J. Leland Gourley, publisher of the Henryetta (Oklahoma) Free-Lance, tried an experiment recently to see if people "just naturally have indigestion these days, or whether the stuff this paper prints is as lousy as some folks say it is."

He ran a passage of Scripture as an editorial on page one. Sure enough, a subscriber called and complained: "About that editorial on the front page . . . I don't agree."

The writer was politely told: "Get in touch with Jesus Christ to register your complaint. He wrote it."

### The Bible Today:

## A New Era In Agriculture

At the annual meeting of the American Association for the Advancement of Science, there was a demonstration of a synthetic chemical named Krillium, that converts non-productive into productive soil in a matter of hours instead of years or generations required by present methods. Krillium is not a fertilizer but a soil conditioner which restores the physical structure of the soil to the proper consistency, thus enabling plants to get the proper amount of oxygen, water and nutrients from the soil.

This development marks the beginning of a revolutionary era in agriculture. It is conceivable that in the distant future deserts may be turned into rich farm land. Old worn-out land may become farm frontiers.

Unfortunately, Krillium is still in the development stage and will not be on the market in substantial quantities before 1953. It is expected, however, that one pound of Krillium will cost around two dollars and that it will have essentially the same effect on soil structure as five hundred pounds of commercial compost, which sells at about two and one-half cents a pound.

In view of the fact that communism thrives among people who live on soils that no longer produce enough food to support them, we feel that this new synthetic soil conditioner may prove to be a very effective weapon in the fight against communism.

### How the East Escapes

The Winnipeg Free Press explains how most of the 62 per cent increase in freight rates since 1948 is borne by the people of the prairie provinces of Western Canada.

In the east the railways must meet competitive freight rates from water and truck competition. As a result, according to the Free Press, out of the Canadian Pacific Railway total traffic of \$347,525,624 per year \$114,290,183, almost entirely in the east, is totally exempted from percentage increases. The full weight of the increases falls upon \$233,235,441 of traffic, most of which is shipped in Western Canada or chargeable to western consumers. Exactly the same conditions apply to the Canadian National Railways.

### Skippping Sessions

Women teachers are usually the first to rush to the city at convention time, yet many are notably absent from sessions. In this, they can't altogether be blamed. Some convention speakers are notoriously dull—and the big department stores are all aglitter with new frocks, hats and lingerie. Even just plain old-fashioned window shopping is more interesting than the liveliest discussion on modern methods of education.

While covering a teachers' convention for her newspaper, the Buffalo (N.Y.) Evening News recently, Sue Fruchtbaum, a girl news hound, got this advice from one of the women delegates from a rural school. "When you've been attending these sessions as long as I have, Dearie, you won't take so many notes. Why don't you go out shopping? You can read all about it in the newspapers."

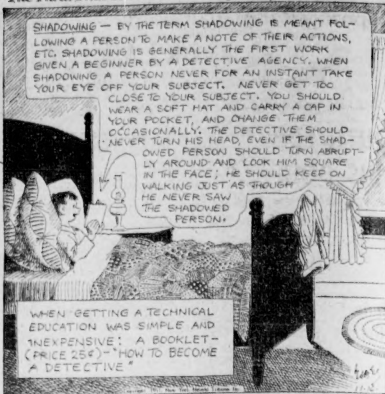

### Where Wild Geese Go

Despite hunters' tales to the contrary, the year 1951 saw an increase in numbers of ducks, geese and brant migrating all across the country. The four aerial channels most migratory birds follow were used by larger flights of birds last year than in several years.

Many of the birds using these routes fly non-stop for thousands of miles. The Arctic tern seems to be the champion distance migrator. He leaves islands rimming the Arctic Sea, crosses the ocean to Europe, flies down the West African coast and returns in spring via South America. Others travel similar distances.

Despite progress tracing migratory routes, no one has yet established how these remarkable birds navigate the same course year after year. American and Canadian geologists have definitely determined, however, that the migratory population of these birds increased in 1951, despite all claims to the contrary by frustrated duck and geese hunters.

## Voice of the People

### AGAINST GAS EXPORT

Export of natural gas is a question of major importance in Alberta at the beginning of 1952.

Apart from the fabulous wealth in oil discoveries of the past three years, Alberta is fast becoming an important industrial centre. Natural gas is the first factor in decisions for the location of many large industries. At the first of January, 1952, Canadian Industries Limited, Sheritt Gordon Limited, Canadian Chemicals Limited and Building Products Limited have each acquired sites for erection of plants, several of which are already under construction.

If natural gas is to be piped to the west coast, would such industrial ventures choose coastal rather than prairie locations? Should oil and natural gas be piped east, refineries at different locations could provide the by-products for industrial consumption anywhere. The decision could be for Fort William rather than Edmonton—for Winnipeg instead of Wainwright. Natural gas is the factor.

The decision is one of vital importance in 1952.

South Edmonton, CITIZEN.

### REMOUSE

I once had a happy and contented married life, and like so many others I didn't know when I was well off. Why I ever called her what I did, I'll never know. All I know is that I would do almost anything to have her back again.

SINCEREST.

### ANSWER TO "ROSAHY"

Dear Sir—Here's my reply to Voice writer from Redwater, Alberta 10, 11, 12. "And every priest standeth daily administering and offering oftentimes the same sacrifices which can never take away sins. But this man (Jesus) after He had offered one sacrifice for sins forever, sat down on the right hand of God." The great sacrifice has been made, the blood has been shed; the price paid. But the sacrifice, Jesus said, "it is finished." Jesus paid it all on the cross.

Merrin, Alta. "REBUTTAL"

### HORSE HAZARDS

One of our neighbors has been unfortunate enough to be tied up with a law-suit regarding a truck, which was damaged when it collided with his horse.

It is unfortunate that one out of the community should become involved with the law over a horse on the road, when usually all it is at some time or other cases of straying horses.

It is difficult in the winter to keep horses within bounds, but we can remember that of a long duty to keep our livestock off the road; for in these days of rapid travel livestock are a menace to every passing motorist.

## Livestock Marketings Down At Edmonton Stockyards

(From THE EDMONTON SUN)

Livestock marketings at the Edmonton Stockyards for the year 1951 were quite sharply reduced from the previous year, although values continued to share slightly higher returns.

The grand total of all classes of livestock handled through the Edmonton public market was 282,587 head with an approximate value of \$35,884,610.93. Total livestock receipts were decreased by 78,990 head or 21.8%. Values were increased by \$1,316,296.00, or 3.8% above last year.

Decreased Marketings of different species are as follows:

Species	1951	1950
Cattle	251,516.497.70	324,000.889
Calves	2,315,913.80	2,256,341
Hogs	7,443,451.40	7,758,000
Sheep	545,792.20	563,131
Horses	61,015.50	47,794
Totals	\$35,882,810.63	\$34,566,514

The highest price for the year was established on the 19th of June, when a small lot of choice steers was sold to a local packer through the auction at \$36.60 per cwt. This created an all-time record for a commercial sale of cattle on the Edmonton stock-

## SOUTH EDMONTON CREAMERY WINS DOUBLE TROPHY AWARD

The South Edmonton Creamery at last week's Dairy-men's Association meeting in Edmonton, won both the Aubrey Duclos challenge trophy for highest percentage of first grade butter in the federal grading year, and the Royal Bank (Edmonton) trophy for the highest percentage scoring 93 or more.

### Birds Like Alberta Winter

MORRIN—Mr. Peder Notland reports seeing a robin in his yard on New Year's Eve, and said it was still there. He also said that four blackbirds were around his place until Christmas, and a meadow lark was seen on Sunday, Jan. 13. Mr. Mel Johnson and Mr. B. G. Davidson have robins around their yards. Mr. Notland claims the birds seem to have the same idea as Captain Kurt Carlsen (captain of the Flying Enterprise) to stay right with it until the end.

### Veterinarian Makes Country Calls By Air

DRUMHELLER — Veterinarian George S. Peppin, bogged down by drifted side roads recently took to the air to complete calls in the Drumheller district.

Peppin covered 300 miles in a flight of 3½ hours and treated farm animals at Pollockville, Hanna and eastern points.

The trip would have taken 1½ days by car at the peak of the "good road" season.

Top cash prize winners in the three groupings of Alberta creameries included the Central Alberta Dairy Pool plant at Alix in both the first grade competition and high percentage of 93-score butter.

In the workmanship competition, G. Olmstead of the Crystal Dairy, Medicine Hat, won the Wyandotte special award for having the highest average standing of buttermakers in composition control, with Evansburg and Glendon creameries among runners-up to Crystal in the cash awards.

In the mold and yeast competition Viking Co-op Creamery won the Vegetable Parchment trophy. Creameries at Andrew, Elk Point and Vermilion were runners-up in the cash prizes. For leading in grading proficiency by showing the least spread between cream purchased and butter manufactured, Dairy Pool plants at Red Deer and Camrose led the creameries churning only first grade or special cream, while Sedgewick and Alix plants topped the plants accepting all grades.

Vilna Creamery won the Appleford silver trophy for quality improvement during the year.

For best kept creameries and surroundings in a modern town awards were won by Dairy Pool plants at Bluffton, Alix and Andrew.

The N.A.D.P. plant at Andrew won the T. Eaton Company special in the interprovincial butter competition on a 14-pound box.

ON JANUARY 28 the 5,000th load of coal to go out from the Sundance Mines since September, was taken out by Mr. J. S. Cebulik of Warspite, Alta. In the above picture may be seen Miss Christine Keiser, the office clerk at the mine, handing Mr.

Cebulik his weighing slip. While this is the 5,000th truckload of coal going out of the mine, this young mining company ships more coal by rail than it does by truck, going out to Northern Alberta, Saskatchewan, Manitoba and some to Western Ontario.

### Red Polled Cattle Show Remarkable Gains In Canada

H. "Bert" Sumner of St. Albert has been re-elected as secretary-treasurer of the Canadian Red Poll Cattle Association. Mr. Sumner has set up a special office in his home in St. Albert to handle the business of this association.

"BERT" SUMNER  
... St. Albert, re-elected at Regina Meeting

which is showing remarkable gains in Canada, as is its sister organization in the United States.

At the annual meeting which was held in Regina, H. L. Sweet of Morningside was re-elected honorary president. T. H. Howes of Millet was elected honorary vice-president. President is Wilmott McComb of Hayfield, Manitoba.

Among directors re-elected are Jack Livingstone and John R. Atkinson of St. Albert in addition to Mr. Sumner.

#### HIGH DEMAND

In his annual secretary-treasurer's report to the meeting, Mr. Sumner said that 1951 had seen an unprecedented demand for stock and producers were unable to supply the constant demand. Saskatchewan has the largest membership of any province with 79 members, a drop of nine members since the year before. This is the first year there have been more than 100 cows to qualify for the record of performance records.

The meeting passed a resolution asking the Dominion department of agriculture to relax the new regulations that require that six rather than three females be registered for record of performance records. The association opposed the new ruling on the ground that the small breeders, as many Red Poll breeders are, are unable to register that many animals.

The meeting decided to sponsor larger representation from western Canada to the Royal Winter Fair, Toronto, than formerly.

## ALBERTA COAL MINES ARE HAVING A BUSY SEASON THIS WINTER

When chinook winds flow in over the mountains, and raise Alberta temperatures from 30 below to 30 above, everybody enthusiastically says "Wonderful weather we're having, isn't it?" Everyone says that — even Alberta's coal miners. But there may be a twinge of regret as they say it, and not too enthusiastically at that.

Talk about oil and gas, the coal mining industry is still one of the most important non-farming occupations in Alberta. For instance, Sundance mines of Cardiff, Alta., at the end of January had shipped their 5,000th load of "Suncole" coal since Sept. 1.

Paul H. Cote, owner and manager, says that coal is shipped to Northern Alberta, Saskatchewan, Manitoba and Western Ontario besides serving customers in the Edmonton and other areas of Alberta.

Yes, business has been booming in the coal industry. There will come a slackening off in March and April but just as certain as anyone can be about anything these days, the mining men know that come October and November, cold winds will blow again and freezing fall temperatures will mean more demand for Alberta coal.

#### Anniversary Celebrated

Mr. and Mrs. Harry Foreman, of Provost, celebrated their golden wedding anniversary on December 26. They were married in 1901 at Bridport, England, and moved to the Chauvin district with their family in the pioneer days.

Both Mr. and Mrs. Foreman are enjoying good health. Mr. Foreman is well-known for the important part he played in the development of the Alberta Wheat Pool, serving as a delegate for many years.

ators for all divisions in accordance with the Municipal District Act and that only enumerators for electoral divisions two and five had been appointed.

Moved by Councillor Schafers that the following be appointed as enumerators for electoral divisions as enumerated:

Michael Hanly, Morinville, R.R. 2, for Div. No. 1.

Molse Comeau Riviere Qui Barre, for Div. No. 3.

Lionel Forcade, Legal, for Div. No. 4.

Carried.

## School Requisition Advance

Moved by Councillor Meunier that we advance to the Sturgeon School Division No. 24, the sum of \$30,000 on their 1952 school requisition as requested by the school board. Carried.

## Petty Cash

Moved by Councillor Perrott that we make an advance of \$50 for the petty cash fund. Carried.

## Cash

The council were advised by the secretary that the error made on Dec. 13, 1951 when one \$100 bill was given in change in error had not to this date been returned to the office. This he had paid to the cash in order to make the necessary balance in same.

Ken. Haddow, safesman for the above mentioned now called on the council and spoke on road patrols. The price of a new No. 12 Caterpillar patrol, complete, is now in the sum of \$23,469, f.o.b., Edmonton, Alta. Considerable discussion on the MD order for a D7 Caterpillar placed over a year ago was now taken up. It appears that if the council would accept a scraper, a tractor would be available; these scrapers are easily obtainable. The matter is to be taken up further as, at the present, the municipality is not in need of a scraper.

## Proposed Crossing CNR Right-of-way at Mile 7.36 Athabasca Sub-Division, on River Lot 53 St. Albert Settlement Twp. 53, Rge. 25, W4

Advice of an application by the director of surveys of the department of highways to the board of transport commissioners was now read to the council. The matter was ordered tabled for the present. The council have at no time agreed to undertake the construction and maintenance of the said crossing and the matter is to be dealt with at the time that the matter receive their approval.

## Amendment to By-Law No. 81

Moved by Councillor Perrott that the above By-law be amended to read as follows: by deleting the following words (15th day of December) and substituting in its place (30th day of November) said amendment to be effective beginning in the year 1952 and thereafter until otherwise amended by the council. (Beginning in the year 1952) to be substitute wording for (Beginning in the year 1945). The By-Law thus amended will enable the secretary to allow 6% discount up till August 31, 1952 and 4% from September 1 to November 30, 1952 on taxes which become due and payable in the year in which payment is made. Carried unanimously.

## Municipal Well and Pump

Expenditures on the above were now presented to the council.

Moved by Reeve Dussault that Alice St. Germain be invited to the next meeting in this regards to settlement of this matter. Carried.

## Grants

The grants in the matter of the Municipal District of Sugar City No. 5 and "Save the Soil Campaign" were now taken up by the council. The secretary is to get more information in this regards in order that these may be dealt with at the February meeting.

## Surveys and Road Plans

Moved by Councillor Walker that as all plans are not in as yet from the surveyors that these be tabled till next meeting and that we approve of the same at the next meeting. Carried.

## Establishment of Separate School Districts

Moved by Councillor Meunier that as two separate school districts have been established in the district, that ministerial orders dated Dec. 20, 1951 establishing the same be copied into the minutes of this meeting hereafter. Carried.

## MINISTERIAL ORDERS

Trails End School District No. 4292  
Department of Education

Edmonton, Thurs., Dec. 20, 1951.

In accordance with the provisions of Sections 7, 10 and 46 of The School Act, I hereby order

the establishment of a separate school district within the Trail's End School District No. 4292 of the Province of Alberta, the said Separate School District to be known as the St. Girard Roman Catholic Separate School District No. 41 of the Province of Alberta and to comprise all those lands which are or may at any future time be included in the Trail's End School District No. 4292 and which are or may be properly assessable for separate school purposes under the provisions of Part VII of The School Taxation Act.

I further order that any lands which may at any time in the future be excluded from the Trail's End School District No. 4292 shall also as of the same date be excluded from the St. Girard Roman Catholic Separate School District No. 41.

This order is to become effective on, from, and after Dec. 30, 1951.

Department of Education

Edmonton, Thurs., Dec. 20, 1951.

In accordance with the provisions of Sections 7, 10 and 46 of The School Act, I hereby order the establishment of a separate school district within the Vermilion Springs School District No. 1619 of the Province of Alberta, the said Separate School District to be known as the St. Jacques Roman Catholic Separate School District No. 40 of the Province of Alberta and to comprise all those lands which are or may at any future time be included in the Vermilion Springs School District 1619 and which are or may be properly assessable for separate school purposes under the provisions of Part VII of The School Taxation Act.

I further order that any lands which may at any time in the future be excluded from the Vermilion Springs School District No. 1619 shall also as of the same date be excluded from the St. Jacques Roman Catholic Separate School District No. 40.

This order is to become effective on, from and after Dec. 30, 1951.

(Sgd.) IVAN CASEY,  
Minister of Education.

Council adjourned for lunch at 7:15 o'clock p.m.

Council re-assembled at 8:15 o'clock p.m.

## Public Works

A general discussion on the question of repairing the municipal equipment was now taken by the council. The new D7 Caterpillar is in the Craig's Welding Shop and the tracks are off of the same and a new set of tracks has been delivered for the same on the order of Councillors Meunier and Walker after finding out that it was all apart. The H.D.10 tractor is in the Municipal Garage and the Waterous man is supposed to come now any time to repair the same.

## Civil Defence

J. Hruschka, president of the Morinville Branch of the Canadian Legion now called on the council

and advised that his branch was willing to take over the organization of Civil Defence for the municipality, providing the necessary arrangements could be agreed upon by the council and themselves as to the financing of the same. He stated that Mr. Arthur Stapleton would be available to attend the school for the instructions to instructors at the Provincial Civil Defence School to be held in Edmonton during January or February whenever space is available for the municipal candidate.

Moved by Councillor Walker that we appoint Arthur L. Stapleton as our candidate to attend the said school and that we advise the civil defence authorities accordingly. Carried.

## 2 1/2" Viking Pump

The above pump, as attached to the truck and account in the sum of \$120, was now taken up by the council. This pump was never used. It was decided by the council that Councillor Meunier see that this pump is returned to the owner as the council will not be needing the same.

## Agricultural Service Board

Account in the sum of \$822 as received regarding a farm recently placed under control for threshing in 1951 was now presented council.

Moved by Councillor Walker that we have our field supervisor and our district agriculturist call at this farm and that stock taking be taken in order that the matter of accounts owing can be taken up later by the council and the service board. Carried.

## Remington Rand Ltd.

Moved by Councillor Meunier that we approve the purchase of a new electric adder in the sum of \$405 and that we arrange to keep our old adder which is, at present, being repaired. Carried.

## N.W. 32-57-26-W4

Registered letter as received from Ward Munro in regards to the drainage conditions on the above mentioned land was now read to the council.

Moved by Councillor Schafers that we appoint Councillor Perrott to interview the complainant in regards to this case, as he is well aware of this case and the complaint as made is not in accordance with the explanations as given by Councillor Perrott because this involves private ditching. Carried.

## Department of Public Health

Letter dated Jan. 9, 1952 regarding the regulations dealing with the payment of the municipal hospitalization grant as passed by Order-in-Council 19/11/51, which is effective Jan. 1, 1952 was now read to council as received from the department. This order sets out the new scale which will be in effect and on which the government will pay grants on renewal of contract with the hospitals concerned. These are the rates as appeared in the minutes of the Dec. meeting on page 360.

## Hospital Contracts

Considerable discussion in regards to the contracts dealing with the provisions of hospital facilities for residents of the dis-

trict and with the provisions for its indigent sick residents, was now taken up by the council. The rate on these contracts is to be changed from 25c per day to 50c per day, effective as at Jan. 1, 1952. This matter is to be taken up further at the next Edmonton Union of Municipal Districts meeting for discussion and necessary resolution.

Moved by Councillor Perrott that the reeve and secretary be hereby authorized to execute these agreements on behalf of the council for the increase as per amendments to the contract or agreement. Carried.

## Dollar-a-Day Agreement

Moved by Councillor Walker that the increase in rates as per the department of public health letter on which the government will pay one-half of the said rates as hospital grant be approved and that the reeve and secretary-treasurer be hereby authorized to execute the said amendments with the four Edmonton hospitals and the Immaculate hospital of Westlock. Carried.

## Employees Hospitalization

Moved by Reeve Dussault that all permanent employees of the Municipal District of Morinville and the Morinville Seed Cleaning Co-operative Limited be entitled to purchase contracts in order to benefit by the Municipal Hospitalization Plan. Carried.

## Assessment Complaint

Complaint in regards to assessment and taxes as received on a Pt. S.E. 1/4 26-53-25-W4 was now read to the council.

Moved by Councillor Schafers that this matter be tabled till we hold the "court of revision" for consideration at that time. Carried.

## Public Works

The following was reported as work done during the 1951 season by the council in order that the

necessary reports can be made to the department of highways:

Number of miles of road gravelled, 23 1/2; number of miles of road regavelled, 4; number of miles of road graded, 35; number of miles of road regraded, 2; number of miles of road opened up, 4. Total, 68 1/2 miles.

## Hospitalization Posters

Moved by Councillor Walker that we have prominent signs made to distribute throughout the municipality regarding the contracts that are available for the resident non-ratepayers of the district; that the field supervisor have these distributed to the respective councillors as soon as possible and that the councillors see that they are placed in all prominent business places in their respective districts. Carried.

## Union Tractor and Equipment Co. Ltd.

Moved by Councillor Perrott that we appoint Councillor Meunier as a committee to supervise the job of putting the new tracks on the new D7 Caterpillar now at Craig's Welding and that this tractor be moved to our own garage. The H.D.10, as soon as repaired by the Waterous man and the operator of the same, is to be taken to Calahoo by its operator. Foreman and men are to be told that there is no more work available at the present until further notice. Carried.

## Municipal Truck

Moved by Councillor Perrott that we advertise our 1950 3-ton G.M.C. truck for sale and that we receive tenders on the same till Feb. 12, 1952. Carried.

## Next Meeting

Moved by Councillor Walker that we hold our next meeting on Thursday, Feb. 14 beginning at 10 o'clock p.m. Carried.

## Adjournment

Moved by Councillor Perrott that we adjourn at 9 o'clock p.m. Carried.

## LETTERS TO LOUISA

Dear Louisa:

I am a bride-to-be in the very  
near future. Being this is 1952,  
a leap year, I'd like to ask these  
questions:

Who provides the bride's trousseau?  
What are the bride's  
duties and which are the groom's?  
Who provides what bouquets in  
this case? As far as the brides-  
maids are concerned, does the  
bride provide their headdresses  
and bouquets? Is it necessary  
for bridesmaids to have corsages?  
Who pins on the corsages for the  
bride and groom. The last ques-  
tion is, if the bride's gown has a  
long train can she have a floor  
length veil also?

Please advise me in this case.  
Thank you.

BRIDE-TO-BE.

Answer:

You should write Emily Post  
for the type of information you  
request. Your clergyman can no  
doubt help you with some of your  
problems.

LOUISA.

Dear Louisa:

I am an old age pensioner and  
did not receive my cheque for the  
month of December. It was not  
in the post office and the pension  
board says it was sent out. Should  
I change my post office or have  
my cheque sent registered mail?

OLD AGE PENSIONER.  
Pickardville, Alta.

Answer:

This is hardly a question that  
I can answer for you. Both the  
Post Office Department and the  
Pensions Department are only too  
anxious to see that you get your  
cheque, but I suggest you write  
to your local member of parlia-  
ment in Ottawa for further in-  
formation.

LOUISA.

Dear Louisa:

I am a girl of 20 years. I have  
been going with a guy for two  
years now, and love him very  
much. He is four years older than  
I am, but we seem to get along  
very well. He is very good to me  
and has treated me like a wife.  
The only disagreement we have  
between us is that he has a  
different religion than I have.  
I told him I would turn to his  
religion, but he is undecided, as  
he feels our marriage wouldn't  
be successful in a case like this.  
What do you think about it?

SUSIE.

Answer:

If you are truly converted to  
the faith of your fiance, there is  
no reason why your marriage  
couldn't be a success. However,  
if you make the change in religion  
simply because you want to marry  
this man it will end in disaster.  
Mixed marriages are often un-  
successful because the intended  
"convert" does not make a true  
conversion to the new faith. You  
should consult the pastor of your  
boy friend's church before mak-  
ing any further marriage plans.

LOUISA.

As I was walking down the  
street a little girl ran along  
behind me and took my hand  
and said "Come on, Daddy, this  
way." I looked at her petrified.  
Her mother came to my rescue  
and with a few words of apology,  
walked away, while I was left  
standing embarrassed.

As a young bride on the farm  
I usually lit the fire in the morn-  
ing while my husband did the  
morning chores. Often he would  
knock on the door to fool me.  
One morning I was standing before  
the stove in my night dress and  
heard the familiar rap on the  
door. I answered "Come in" and  
the door opened but it wasn't  
my husband! It was a young man,  
a stranger who had just moved  
into the district. I was certainly  
embarrassed by him seeing me in  
my night gown!

# THE LIGHTER SIDE

## Getting Even

Yells from the nursery brought the mother, who found the baby gleefully pulling small "Billy's" curls. "Never mind darling," she confronted, "Baby doesn't know how it hurts."  
 Half an hour later wild shrieks from the baby made her run again to the nursery. "Why, Billy!" she cried. "What's the matter with the baby?"  
 "Nothing, muzzer," said Billy, calmly, "only now he knows."

## The Reason

A young woman took a job as a governess, then suddenly left it. Asked why she resigned, she said: "Had to. Backward child, forward father."

## Good Question

Little Sue was all eyes at the fashionable church wedding. "Did the lady change her mind?" she whispered to her mother.  
 "No, dear. What makes you think so?"  
 "Cause she went up the aisle with one man and came back with another."

## About 11:30 P.M.

She: My father takes things apart to see why they don't go.  
 He: So what?  
 She: So you'd better go.

## How True

Boy: "What do you call a man that drives a car?"  
 Dad: "It depends on just how close he comes to me."

## Believes Local Papers Should Be Read First

Residents of small communities should read their local newspapers first, their district papers second and then branch out to the larger city dailies. This is the considered opinion of Prof. Wild of the Department of Journalism at the University of Western Ontario. Speaking before the Delhi Kinsmen Club, the professor said readers in small communities couldn't expect to get much worthwhile information about their own districts in the large dailies. The speaker added that while reading an article a reader should be able to tell whether the writer used real facts or simply rumors.

## BADMINTON CLUB NEWS

ST. ALBERT—The St. Albert Badminton Club has made good progress during the past month in both membership and improvement in skill. Some of its younger members show promise of championship material.

The club has invited the South Side Badminton Club of Edmonton to spend a friendly evening of exhibition games on Tuesday, March 4.

In the meantime, a tournament of mixed doubles is underway among local members. Paid-up members only will be allowed to take part in these events; so those who have forgotten to pay balance of fees, hurry up so that you will not miss the fun.

New members are heartily invited to join. Fees are \$2.00 to Community League members. Playing times are Tuesday evening, 8:00 to 10:30; Thursday evening, 9:00 to 11:00 p.m.

No matter how careful you are when driving . . .

## THE MUNICIPAL DISTRICT OF STURGEON, No. 90

## NOTICE

PUBLIC NOTICE is hereby given that there has been introduced in the Council of The Municipal District of Sturgeon, No. 90, a By-Law of which the following is a short synopsis:

Under the Municipal Districts Act, Chapter 151 of the Revised Statutes of Alberta, 1942, with amendments up to and including 1949, the Council of the Municipal District of Sturgeon, No. 90, under section 198 of the Municipal Districts Act, may pass a By-Law for the purchase of land for erecting an office building thereon.

THEREFORE BE IT RESOLVED that the Council be authorized to purchase 2 lots in North Edmonton for the sum of three thousand (\$3,000.00) dollars for the erection of an office building.

AND THAT a copy of the proposed By-Law may be seen in each of the following places:

The Edmonton Sun, The Municipal Office, Bon Accord P.O., Gibbons P.O., Egremont P.O., Legal P.O., Opal P.O., North Edmonton P.O., Waugh P.O., Coronado P.O., Anton Lake P.O., Thorhild P.O., Redwater P.O., Namao P.O., and Carbondale P.O.

AND FURTHER THAT UNLESS WITHIN THIRTY DAYS from the publication of this notice at least ten per cent of the proprietary electors of the Municipal District of Sturgeon, No. 90, petition the Council to submit such By-Law to the vote of the proprietary electors of the Municipal District, the Council will proceed to pass same.

DATED this 17th day of January, 1952.

A. WALTERS, Secretary-Treasurer,  
M.D. of Sturgeon, No. 90.

Bank of Montreal Building,  
Edmonton, Alberta.

PUBLIC NOTICE is hereby given that there has been introduced in the Council of The Municipal District of Sturgeon, No. 90, a By-Law for the erection of an office building. THEREFORE BE IT RESOLVED that By-Law No. 461 for the erection of an office building at a cost of \$32,000.00 be submitted to the proprietary electors at the forthcoming elections in March, the cost of same to be borne by surplus funds of the Municipality.

A. WALTERS—Secretary-Treasurer.

## By Law No. 460

UNDER THE MUNICIPAL DISTRICTS ACT, Chapter 151 of the Revised Statutes of Alberta, 1942, with amendments up to and including 1949, the Council of The Municipal District of Sturgeon, No. 90, under section 198, may pass a By-Law for the purchase of land for the purpose of erecting an office building.

BY-LAW No. 460, being a By-Law of The Municipal District of Sturgeon, No. 90, covering the purchase of 2 lots for erecting thereon an Office Building.

WHEREAS the Council in session find that it is expedient to have their own Municipal Office, as the present rented office is and has been very limited for office space since the consolidation of the Municipal District of Sturgeon and the Municipal District of Opal into one large Municipality;

THEREFORE BE IT RESOLVED that the Council be authorized to purchase 2 lots in North Edmonton for the sum of \$3,000.00 for the erection of an Office Building.

Moved by Councillor Geo. Holmes that By-Law No. 460 be given first reading.

CARRIED UNANIMOUSLY.
